
PENHALIGON'S

EST. LONDON 1870

A SPLENDIDLY BRITISH OLFACTIVE ADVENTURE

Penhaligon's is perhaps the world's most esteemed
fragrance house, entertaining discerning noses
– be they royalty or not.

Drawing on 150 years of perfumery, each scent creation has its own story to tell... of tradition,
history, myth... always with a little whimsy or twist of quirkiness that brings it into the modern day.

A perfect fit for ladies and gents with exceptional taste; displaying good judgment and
perfect decorum, but not afraid to veer off the tracks to show a little personality.

Blenheim Bouquet

is a masterpiece of tailoring and was first created for the Duke of Marlborough, and by jove
it shows. Just like the most refined British humour, it is dry. Like the best gin, aromatic.
An invigorating daytime cocktail of citrus oils, spices and woods – as versatile as a bowtie,
able to transcend the infidelities of Time.
