ANCHORAGE, THE FEELING OF COMING HOME

THE SCENT OF THE AMOUAGE PERFUME MANUFACTURE

To celebrate forty years of creation, Amouage has chosen to capture the scent of its Perfume Manufacture and give this address a signature line: Anchorage. Referencing the birthplace of the House, Anchorage is a unique scent for the body and home that encapsulates the diverse and charming smell of the Amouage Perfume Manufacture with rare and precious ingredients. The smell of craft, abundance, patience, refinement, and harmony.

ANCHORAGE

Neither feminine nor masculine, the result is a fragrance that does not resemble any other Amouage creation. Three olfactive layers highlighting the signature raw material triad of Frankincense, Rock Rose and Ambergris have been perfectly blended.

A unique scent, an innovative and complex signature for the body and the home, called Anchorage.
